Dear Mr Singer

I would like to thank you for assisting me so effectively with my application for permanent residence. I wanted to immigrate for a long time but was put off by the knowledge that it would be difficult to reapply in case my application was rejected. I felt that I needed to get it 100% right. In the event, and with your help, it went through so smoothly and quickly it almost was an anticlimax. I have recommended your services to several of my friends who are also considering emigrating to Canada.

Yours sincerely,

Ulrich Stange (ulrich@essex.ac.uk)

I had read Mr. Colin R. Singer's postings on Canadian immigration issues in Usenet newsgroups in 1994 and had retained Mr.Singer to handle my and my family Canadian permanent residence application (Independent category) in October, 1994.

Mr.Singer provided detailed instructions on filling the applications forms and valuable advice on collection of all required documents. During the course of our application we had regular contact with Mr.Singer and his associates - by e-mail, phone, personal meetings. All letters to and from Canadian Consulate were timely handled by Mr.Singer's office.

Our interview was waived, medical exam had been successfully passed and visas issued in June, 1995.

I could recommend Mr.Colin R. Singer as knowledgeable and responsible legal counsel in the field of acquisition of Canadian permanent residence.

First of all, I would like to thank you and your staff (particulary Rebecca) for all the help that has been provided in securing our Canadian landed immigrant status. In this whole process what impressed me the most was that how well your staff were knowledgeable with our case throughout. The other thing is that you were constantly available to answer my questions at any time; either via phone, Email, fax or you have promptly responded to my voice mail messages. I personally liked communicating via Email and you have almost always answered my questions on the same day with short answer. That was the key. Lot of time, I have observed people tend to point to their web sites for more info. But who got the time to look at a web site :-).

Now our case is closed, but you have offered to help me with follow up issues. All this not only shows your professionalism but also gives us a sort of personal touch and me us build a personal relationship in our migration. I hope you continue to do so for others alike.

Further, after going through several cases in misc.immigration.canada, I figured I follow the approval dates in this case. If there weren't a delay in my background check, which took nearly 6 months, I would have slam dunked the whole process in about 3 months! It was well organized and done well. Despite nearly a 6 months background check, it took less than 8 months to complete this process.

The primary reason I chose to go with an attorney was to make the whole process smooth. And it did go as I expected. For me, personally, paying a reasonable fee for both myself and my wife was well worth it for reasons that I can't explain in this short letter.

Once again, thank you for all your help.

Dear Mr. Singer:

I am so glad to tell you that I am now at Guelph, Ontario. We passed the port of entry very smoothly. The officer didn't ask any question about my return.

Thank you very much for all help you gave to me. I appreciate it. I will recommend you to my friends if they need help on immigration.

Again, thanks a lot for your help.

Best regards !

Sincerely, Yousheng (LTING@micro.uoguelph.ca)
