Dear Mr. Singer,

First of all, I wish to acknowledge receipt of your papers dated February 12 and 16, 1999, addressed to Mr. Dong Gi Kim, Consul at the Embassy.

The extensive information and professional opinions contained in the two papers have been most helpful to me in increasing my understanding of Canadian Immigration policy and procedure, in particular concerning Canada's new Immigrant Investor Program, which will surely have great implications for Koreans.

The materials have also been very helpful in grasping the present situation regarding Immigration procedures as they are being implemented in the Canadian Embassy in Seoul. Furthermore, the materials proved to be useful for me in implementing our Embassy Consular affairs and in dealing with relevant Canadian authorities regarding the above situation.

I would like to express my deep appreciation to you for your very knowledgeable input on the topic of Canadian Immigration.

Wishing you continued health and prosperity, I remain,

Sincerely yours,
